

FAQ

Q: What are the advantages of an RLF?

A: An RLF loan fills the gap created if commercial financing cannot fund an entire project. It also offers lower interest rates and no prepayment penalties.

Q: Will I be required to write a business plan?

A: Yes. A business plan is an extremely useful tool for small business. It provides a roadmap of how the project will impact the business. HCBI offers assistance in writing your plan and financials.

Q: Is your lending criteria similar to a bank?

A: Yes. A business must also meet the same credit and collateral standards that a bank would have in order to be funded through an RLF.

Q: Must the project have owner capital?

A: Yes. The program requires the small business to have at least 10% of the total project costs in cash or equity.

Q: Are there fees associated with the loan programs?

A: Yes. There is a \$250 non-refundable application fee. If the loan is approved, there are some legal fees and processing fees. HCBI business members will receive a discount on fees.

Q: What cannot be funded?

A: Refinance of existing debt, any project cost incurred prior to submitting an application, certain types of businesses.

PROJECT FINANCING

Revolving Loan Fund Information Fact Sheet

Financing your business needs can be challenging. HCBI and its partner agencies can help you determine if Revolving Loan Fund financing is a right fit for your needs.

What Can We Fund?

- ◇ **Building & Land**
